

PROSPECTIVE CLIENT INTAKE FORM

Thank you for contacting our office. Please complete this form as accurately as possible. **Providing this information does not create an attorney-client relationship.** An attorney-client relationship is established only after the firm agrees to represent you and any required engagement agreement is completed.

Attorney review required. This is a starting form, not legal advice. Fee, trust-account, contingency, and client-communication requirements differ by jurisdiction: an attorney must review and adapt this document, and confirm it against the applicable rules of professional conduct, before it is used with a client.
